when enemy combatant was first published in the united states in hardcover in 2006 it garnered sensational reviews and its author was featured in the new york times the los angeles times on national public radio and on abc news a second generation british muslim begg had been held by the u s military for more than three years before being released without charge in january of 2005 his memoir is the first published account by a guantánamo detainee of life inside the infamous prison writing in the washington post book world jane mayer described enemy combatant as fascinating begg provides some ideological counterweight to the one sided spin coming from the u s government he writes passionately and personally stripping readers of the comforting lie that somehow the detainees aren't really like us with emotional attachments intellectual interests and fully developed humanity recommended by the financial times and tikkun magazine and a colorlines editors pick of post 9 11 books enemy combatant is a forcefully told up to the minute political story necessary reading for people on all sides of the issue publishers weekly starred review

this book tells the story of habeas corpus from medieval england to modern america crediting the rocky history to the writ's very nature as a government power the book weighs in on habeas's historical controversies addressing the writ's role in the power struggle between the federal government and the states and the proper scope of federal

habeas for state prisoners and for wartime detainees from the civil war and world war ii to the war on terror

in the name of fighting terrorism countries have been invaded wars have been waged people have been detained rendered and tortured and campaigns for hearts and minds have been unleashed human rights analyses of the counter terrorism measures implemented in the aftermath of 11 september 2001 have assumed that men suffer the most both numerically and in terms of the nature of rights violations endured this assumption has obscured the ways that women men and sexual minorities experience counter terrorism by integrating gender into a human rights analysis of counter terrorism and human rights into a gendered analysis of counter terrorism this volume aims to reverse this trend through this variegated human rights lens the authors in this volume identify the spectrum and nature of rights violations arising in the context of gendered counter terrorism and national security practices introduced with a foreword by martin scheinin former un special rapporteur on human rights and counter terrorism the volume examines a wide range of gendered impacts of counter terrorism measures that have not been theorized in the leading texts on terrorism counter terrorism national security and human rights gender national security and counter terrorism will be of particular interest to scholars and students in the disciplines of law security studies and gender studies

offers coverage of wartime extra legal courts focusing on those periods when the constitution and civil liberties have been most severely tested by threats to national security fisher critiques tribunals called during the presidencies of washington madison jackson lincoln andrew johnson wilson franklin roosevelt and truman

the constitution and 9 11 provides a comprehensive striking and disturbing analysis of executive misuse of power that is made all the more compelling by placing it in a rich and fascinating historical context no better book is available for placing post 9 11 government actions in the matrix of history and explaining how executive power has degraded the constitution and citizen rights william g weaver back cover

doing harm pries open the black box on a critical chapter in the recent history of psychology the field's enmeshment in the so called war on terror and the ensuing reckoning over do no harm ethics during times of threat focusing on developments within the american psychological association apa over two tumultuous decades roy eidelson exposes the challenges that professional organizations face whenever powerful government agencies turn to them for contributions to ethically fraught endeavours in the months after 9 11 it became clear that the white house the department of defense and the central intelligence agency were prepared to ignore well established international law and human rights standards in prosecuting the war on terror it was less clear however that some of eidelson's fellow psychologists would become part of the abusive and torturous operations at overseas cia black sites and guantanamo bay nor was it initially clear that this ruthless enterprise would garner acquiescence and support from the apa's leadership doing harm examines how and why the apa failed to join human rights groups in efforts to constrain the us government's unbridled pursuit of security and retribution it recounts an ongoing struggle one that has pitted apa leaders set on preserving strong ties to the military intelligence establishment against dissident voices

committed to prioritizing do no harm principles

moazzam begg is an ordinary man who has endured an extraordinary fate imprisoned for a crime he didn t commit and whose precise nature has never been determined as far as the us government was concerned it was enough to label him an enemy combatant moazzam was arrested in pakistan where he was helping set up education programmes for children in the panic stricken months after the 9 11 attacks he spent three years in prison much of it in solitary confinement and was subjected to over three hundred interrogations death threats and torture witnessing the killings of two detainees he was released early in 2005 without explanation or apology enemy combatant is his riveting story not just an instant classic of incarceration literature it reveals for the first time what it means to be an intelligent politically engaged muslim living in the west after 9 11 by someone who finds common ground with fellow muslims enduring oppression around the world and who has recently emerged as an influential voice in the muslim community against both acts of terrorism and the demonising of islam

the first book to tell the story of every man trapped in guantanamo an important book if you care about our government s complicity in these illegal and horrific acts then this book provides the evidence ken loach extraordinary rendition fa

publisher description

although the work of the detainee inquiry was brought to a conclusion it was agreed that the inquiry should provide the government with a report on its preparatory work to date highlighting particular themes or issues which might be the subject of further examination the inquiry s terms of reference required an examination of whether the uk government and its security and intelligence agencies were involved in or aware of improper treatment of detainees it followed four themes interrogation and treatment issues rendition training and guidance policy and communications based on these themes the inquiry has identified 27 issues which it believes might be the subject of further examination together with a series of questions that it would have wished to investigate in relation to each issue this report is an interim document it is intended to help government in its preparation for any new inquiry including in relation to the terms of reference and protocols it may wish to develop the report may also serve to identify areas where action would be appropriate now without awaiting a further inquiry

focuses on the recent enemy combatant cases to provide a stern critique of the legal and constitutional basis for the enormous expansion of presidential power during the bush administration s war on terror and the challenges especially in the supreme court that such expansion has inspired

when enemy combatant was first published in the united states in hardcover in 2006 it garnered sensational reviews and its author was featured in the new york times the los

angeles times on national public radio and on abc news a second generation british muslim begg had been held by the u s military for more than three years before being released without charge in january of 2005 his memoir is the first published account by a guantánamo detainee of life inside the infamous prison writing in the washington post book world jane mayer described

in the aftermath of 9 11 few questioned the political narrative provided by the white house about guantánamo and the steady stream of prisoners delivered there from half a world away the bush administration gave various rationales for the detention of the prisoners captured in the war on terror they represented extraordinary threats to the american people possessed valuable enemy intelligence and were awaiting prosecution for terrorism or war crimes both explicitly and implicitly journalists pundits lawyers academics and even released prisoners who authored books about the island prison endorsed elements of the official narrative in selling guantánamo john hickman exposes the holes in this manufactured story he shines a spotlight on the critical actors including rumsfeld cheney and president bush himself and examines how the facts belie the official accounts he chastises the apologists and the critics of the administration arguing that both failed to see the forest for the trees

environmentalism is the issue of the moment reusable shopping bags hybrid cars and green energy solutions are all espoused as ways to reduce carbon footprints but these are only the tip of the quickly melting iceberg sanders and davis present a sobering revelation until us military attacks are held accountable for the war they have waged on the environment domestic changes made in good faith won t do a thing frighteningly their argument is based primarily on research leaked by the military itself

in the war on terrorism does the united states judiciary fulfill its critical function to guarantee compliance by the executive with the political norms and ideals of human rights codified both in the united states constitution and international law this study examines the means by which policies such as the bush administration applies in the war on terrorism can be achieved in the united states system of government it focuses on the legal concepts affected by the bush administration s treatment of alleged enemy combatants after september 11 2001 by analyzing three lawsuits filed with united states courts the three cases rumsfeld v padilla hamdi v rumsfeld and rasul v bush so far have been the only cases reviewed by the highest court of the nation the united states supreme court
