you thought the cartel was over but diamonds are forever the diamond family has survived murder deceit and betrayal through it all they re still standing tall and a new era has begun after surviving a failed attempt on her life breeze has moved into the queen s position by zyir s side zyir has taken over the empire and locked down miami s streets he has the world in his palms but there is always new blood ready to overthrow the throne young carter has retired and moved away from the madness that is until he gets an unexpected visitor at his home this person shakes up the whole family causing chaos that threatens to bring down the cartel for good new york times bestselling authors ashley and jaquavis deliver the highly anticipated fourth installment of the wildly popular cartel series

sequestered within the heart of a cosmopolitan city is an exotic world a place where diamonds astronomically priced are bought and sold on the strength of a handshake and business disputes are resolved according to ancient jewish principles of arbitration yet it is also a modern industry facing the same fundamental global changes affecting all businesses today in diamond stories renée rose shield leads us into the unexamined realm of wholesale diamond traders in new york related to several well respected traders she had unprecedented access to a society normally closed to outside inquiry here she deftly blends her personal relationship and her anthropological training to provide an insightful exploration of this tradition bound industry the new challenges it faces and the ways both industry and individuals adapt to and endure change shield begins with a fascinating history of diamond mining combining the story of the de beers cartel the role of jews in the trade and the part diamonds have played both in war and liberation throughout she incorporates commentary by current diamond traders

succeeding chapters explore the evolving nature of both the global trade and the new york diamond district shield takes a close look at the increasingly complex ethnic makeup of the district illuminates the rarely documented work done by women chronicles the resilient system of arbitration and reveals the ways in which many traders work well into their eighties and nineties their long lives of work cushioned by the trade s social environment offer hints for successful aging in general

the mining of diamonds their trading mechanisms their financial institutions and not least their cultural expressions as luxury items have engaged the work of historians economists social scientists and international relations experts based on previously unexamined historical documents found in archives in belgium england israel the netherlands and the united states this book is the first in english to tell the story of the formation of one of the world s main strongholds of diamond production and trade in palestine during the 1930s and 1940s the history of the diamond cutting industry characterized by a long standing jewish presence is discussed as a social history embedded in the international political economy of its times the genesis of the industry in palestine is placed on a broad continuum within the geographic and economic dislocations of dutch belgian and german diamond cutting centers in providing a micro historical and interdisciplinary perspective the story of the diamond industry in mandate palestine proposes a more nuanced picture of the uncritical approach to the strict boundaries of ethnic based occupational communities this book unravels the middle eastern pattern of state intervention in the empowerment of private capital and recasts this craft culture s inseparability from international politics during a period of war and transformation of empire

reflecting the highly globalized nature of tastes production labor markets and financial markets in today s world managerial economics in a global economy is ideal for undergraduate and mba courses in managerial economics adopting a thoroughly global perspective this text synthesizes economic theory decision science and business administration studies examining how they interact as a firm strives to reach optimal profitability and efficiency in the face of modern constraints

this book explores one particular threat faced by the diamond industry and de beers during the early 1990s the release or leakage of rough uncut and unpolished diamonds on the open market by the russian federation in violation of their sales agreement with de beers of particular interest is the discussion of how a devastating currency crisis and government budget deficit drove the russians to leak diamonds along with the disclosure of the secretive duplicitous manner in which rough stones were leaked a secondary issue addressed concerns the promotional efforts undertaken by de beers and their marketing and distribution subsidiary the central selling organization cso recently renamed the diamond trading company dtc to increase worldwide demand by influencing consumer perceptions and buying behavior
